The Pet Loo

Good Dog Products, Inc. introduces *The Pet Loo*, a backyard in a box. The new product is a platform

box covered in artificial grass. It is ideal for pet owners who live in condos and apartments without grass nearby. The design is to mimic the outdoors so your pet is able to relieve himself even when no one is home. The product adds convenience by not having to walk your dog in bad weather or early mornings. *The Pet Loo* is hygienic and environmentally friendly.

For more information, visit www.thepetloo.us.

Spot Shot® Pet Clean™

Spot Shot® has added a new product to their line of carpet stain remover and odor eliminators. *Spot Shot® Pet Clean™* has been specifically created for

safe, permanent removal of pet stains and odors. The product works on new and old pet stains and is available in two formulas, *Dog* and *Cat*. Both have dual odor eliminators to absorb and neutralize odors. *Pet Clean™* has been approved by the *Carpet & Rug Institute* for performance and safety. The product contains no Volatile Organic Compounds (VOCs) or phosphates.

For information, visit www.spotshot.com.

Pet Solutions Rx

Earth's Balance announces the release of the *Pet Solution Rx* product line. The new products are

all natural and intended to help relieve and soothe insect bites and watery eyes due to pollen, sunburns, cuts, scrapes and other summertime problems that affect pets. The complete line includes *Feline Solution Rx*, *Canine Solution Rx*, *Avian Solution Rx* and *Herptile*

Solution Rx. The product is made up of electrolyzed oxidizing water, a natural treatment to bring immediate relief to pets. Electrolyzed oxidizing water also supports the healing of mange, hot spots and ringworm.

For additional information, visit www.earthbalance.com.

The Help 'Em Up Harness

Blue Dog Designs has introduced *The Help 'Em Up Harness*, the first full-body harness system featuring the *Hip Lift* to assist owners with aging dogs to help get up from the floor, up and down stairs or in and out of cars and boats. The harness is also effective for post-surgical support or slight impaired dogs. The product features a shoulder and hip-lift harness system that is padded, lightweight and comfortable to wear. The harness can be worn 24 hours a day. The design is for medium-large dogs prone to muscle and joint disease.
